Mr. & Mrs Allen Hays, Sr. Thro. alle 1834 Hasting's all E. 14689 Eu apl# 20 6. Cleviland, East Celes This th. On my wayson

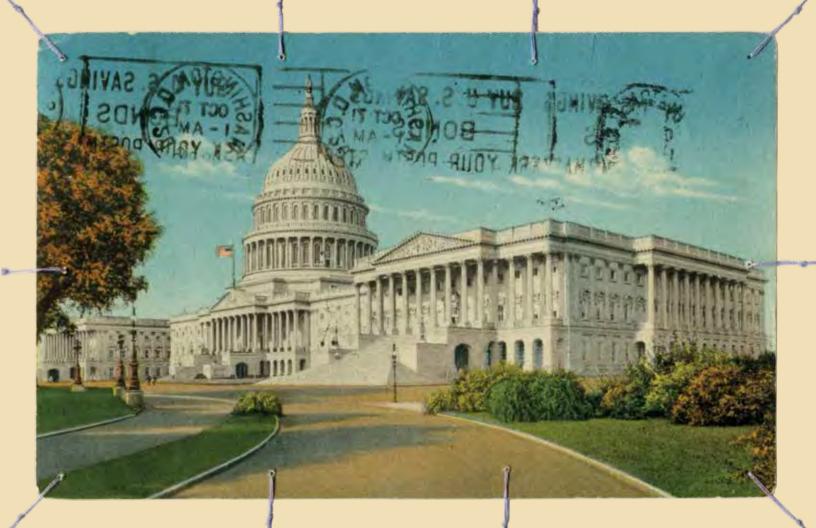

This booklet is composed of three postcards found in an antique store in Colorado. The correspondence is from one man to his parents.

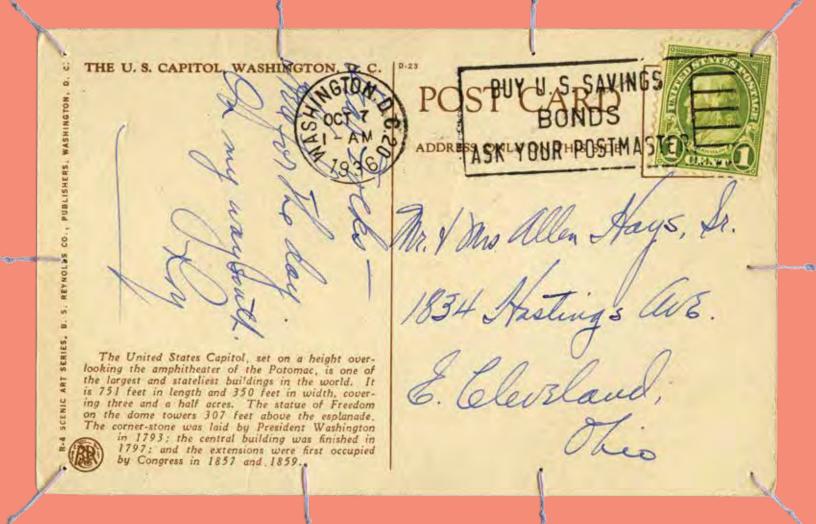

The postcards appear to be perfunctory notes sent in haste, hinting at a long dull career on the road. But we will never know for sure because, like many of us, Roy did not explain much in writing.

An unwritten story is still a story, however. Clues to Roy Hays' life rest in the postcard messages, the postmarks, and the recipient's addresses. These sparse facts also provide space for the reader's imagination, in which *anything* could be true.

We might create a new story, and new lives for Roy and his family, with each reading.
