Contemplating illness, fear and shame

by Sue Sommers

leprosy in the skin of the body, ⁴⁴ he is a leprous man, he is unclean; the priest must pronounce him unclean; his disease is on his head.

45 "The leper who has the disease shall wear torn clothes and let the hair of his head hang loose, and he shall cover his upper lip and cry, 'Unclean, unclean.' ⁴⁶ He shall remain unclean as long as he has the disease; he is unclean; he shall dwell alone in a habitation outside the camp.

25 If a woman has a discharge of blood for many days, not at the time of her impurity, or if she has a discharge beyond the time of her impurity, all the days of the discharge she shall continue in uncleanness; as in the days of her impurity, she shall be unclean.

26 Every bed on which she lies, all the days of her discharge, shall be to her as the bed of her impurity; and everything on which she sits shall be unclean, as in the uncleanness of her impurity.
